

Lake Ridge High School

Parent Teacher Student Association

WHY JOIN?

Here Are 3 Great Reasons!

- 1. Get involved for your children and for your community.** Studies show that membership in PTA/PTSA provides your child and other children around you with a greater chance of achieving in school. As a PTSA member, you are more likely to be an informed, involved parent. Learn ways to keep children safe and involved in school. PTSA is the place to gain that knowledge.
- 2. Every membership counts!** When you join Lake Ridge PTSA, you also join the Texas state and national PTA and become part of a national effort to improve the education, health, and welfare of every child. Membership numbers count in a significant way when our representatives are lobbying for funding for education in the Texas legislature or in Congress.
- 3. PTA provides opportunities to meet with others who have the same interests as you.** By sharing common concerns, you will feel more empowered. Being part of PTA connects families and schools and results in parental support and makes school involvement easier. PTA also provides educational opportunities. From local-level parent education meetings to the Texas PTA Annual Convention, PTA encourages learning and the sharing of accomplishments, interests and concerns.

Joining the PTSA does not obligate you to volunteer at school or attend PTSA meetings—although we hope you will! It's easy to join. Click on the Lake Ridge PTSA Membership Form link. Fill out the form and drop it off at the reception desk along with your \$10 per person membership fee in an envelope marked "PTSA". The LRHS receptionists will see it is turned into our mailbox. If you have questions email PTSA Membership Chair, Tammie Kramer at kramer-kevin@sbcglobal.net.
